The main advantage of the **businessim** card holder is that all charges are based ONLY on the country you are calling from.

- No roaming or other hidden charges.
- No additional charges except towards certain extreme destinations. Check www.businessim.com/rates

Additional tips/advantages of **businessim** rates:

- Special discount rate of € 0.19/minute for communication between **businessim** card holders.
 In case you communicate on a regular basis with a specific person, office, your family, we strongly recommend that you also purchase **businessim** cards for the people you communicate with and benefit from the low rate advantages that **businessim** to **businessim** offers.
- If you are located within EU at the time of your travel, all calls towards EU destinations are charged by € 0.19/min. Charges per second apply after the first 30 seconds.
- If you are NOT located within EU at the time of your travel, call charges apply per minute.

- Divert your incoming calls without being charged (where free incoming calls apply), when the calls are forwarded to your local number.
- For heavy users as frequent travelers, we suggest to set the AUTO TOP-UP facility, taking advantage of having your **businessim** card always topped-up, on a permanent basis, without concerns.
- Receive Skype calls (to **businessim** number) free of charge for the caller, at € 0.15/min for the **businessim** card holder. No other charges apply if you are located in a country of free incoming calls.
- If you are traveling within EU take advantage of our discounted rate data package. Pay € 1.50 for 10MB (normal rate € 0.50/MB). For data spent in excess of 10MB, normal **businessim** data rates apply.
- **businessim** Customer Care is free of charge for the first 3 minutes of each call, wherever you are.
- Receive free SMS worldwide ► Send SMS within EU, at € 0.09/sms ► Send SMS outside EU, at € 0.35/sms.
